Quick-Start Checklist for United States-based Clients

Use this form as a quick checklist for everything that is needed to start your privacy service in an efficient and timely matter. All forms and information may be scanned/photographed and emailed to services@privacyduck.com or mailed in to:

PrivacyDuck - Client Intake
8721 Santa Monica Boulevard, #441
West Hollywood, California 90069

Required Documents & Information

- Payment for Service** (please choose service at privacyduck.com/services and proceed to select and checkout - enter any appropriate promo/discount code at the checkout stage on Square's secure site - a receipt will automatically be sent to you). Accepted cards are United States-based credit, corporate, debit, prepaid, and rewards cards bearing a Visa, MasterCard, AmericanExpress, Discover, JCB, and UnionPay logos.
- Information to Remove** (each service is good for two people). Be sure to include names and variations, current and prior addresses, and any phone numbers and email addresses you would like de-indexed from search sites (we do not limit how many name variations, addresses, numbers, or emails we remove). Please also include your date of birth and a copy of your edited state-issued license or identification card (you can block out your license number, picture, and signature only). Please send info to the email address or physical address above.
- Signed Client Authorization Form** (this can be downloaded at privacyduck.com/forms and returned to the email or physical addresses above)
